Form 1: Risk assessment for records held in church premises: to be completed for each church building within the congregation Form 2: Risk assessment for records, wherever held: to be completed for each record-holder within the congregation Form 3: Risk assessment Action Plan: to be completed by the Kirk Session [or Board] as Trustees of the congregation Form 4: Schedule of Records Held: to be completed for the congregation

Form 1: To be completed for every Church of Scotland building containing sensitive personal data stored in paper or digital form.

Congregation:	Building:	Completed by	: [name]	Post within congregation:	Date:
			T		
· · ·	tive personal data* stored in lockab	le storage			
area/cabinet?					
If so, how many people have keys	to this storage area/cabinet?				
Are computers and laptops passwo	ord protected?				
Is all digital sensitive personal data	stored either:				
(i) in encrypted files on a	a computer or laptop				
(ii) or, on an encrypted d	levice (such as an encrypted USB sti	ck)			
Is the 'computer lock' facility in place when office bearers or employees are away from					
the device where the sensitive per	sonal data records are being used?				
Are computer workstations in adm	inistrative areas of the church prem	ises positioned			
so that the screen contents are not visible to the casual observer?					
Is the encrypted device always turn	ned off/safely removed after use?				
Are all paper and digital files conta	ining sensitive personal data kept u	p to date and			
archived as appropriate?					
Is sensitive personal data that is no	longer required regularly purged?				
When transferring digital sensitive	personal data out of the office is it	transported			
safely, securely and with encryptio	n?				

^{*}Sensitive Personal Data is Personal Data about an individual's racial or ethnic origin, political opinions, **religious beliefs**, trade union membership, physical or mental health, details of the commission or alleged commission of any offence and any court proceedings relating to the commission of an offence. A significant amount of Personal Data held by congregations will be Sensitive Personal Data as it could be indicative of a person's religious beliefs. Extra vigilance is required when dealing with any Personal Data.

Form 2: To be completed by every member of the congregation responsible for keeping sensitive personal data stored in paper or digital form.

Congregation:	Completed by: [name]	Post within congregation:	Date:
What sensitive personal data records* in connection with the congregation do you hold			
in paper form?			
Are sensitive personal data paper records s	tored in a separate lockable storage		
area/cabinet?			
If so, how many people have keys to this sto	orage area/cabinet?		
What sensitive personal data records in cor	nnection with the congregation do you hold		
in digital form?			
Are computers and laptops password prote	ected?		
Is all digital sensitive personal data stored e	either:		
(i) in encrypted files on a computer o	r laptop		
(ii) or, on an encrypted device (such a	s an encrypted USB stick)		
Is the encrypted device always turned off/safely removed after use?			
Is the 'computer lock' facility in place when you are away from your device where the			
sensitive personal data records are being used?			
Are all paper and digital files containing sensitive personal data kept up to date and			
archived as appropriate?			
Is sensitive personal data that is no longer required regularly purged?			
When transferring digital sensitive personal data is it transported safely, securely and			
with encryption?			
Have you viewed the Law Department Data Protection Webinar found at			
http://clt-group.adobeconnect.com/p62etoijsjy/			
(A password is required to view, which is: c	os2014)		
Have you read your congregation's Data Pro	otection Policy?		

^{*}Sensitive Personal Data is Personal Data about an individual's racial or ethnic origin, political opinions, **religious beliefs**, trade union membership, physical or mental health, details of the commission or alleged commission of any offence and any court proceedings relating to the commission of an offence. A significant amount of Personal Data held by congregations will be Sensitive Personal Data as it could be indicative of a person's religious beliefs. Extra vigilance is required when dealing with any Personal Data.
